

THE BUTTERY
ENRICHING LIVES

WHAT DOES INTRA STAND FOR?

INTRA aims to reduce harms from alcohol and other drug use, and to promote recovery.

Harm Reduction

INTRA tries to maintain open and respectful communication about drug use. We do not condone drug use. Rather, the principles of harm reduction allow us to work with people with diverse goals in relation to their use.

Recovery

INTRA supports people in the process of pursuing a fulfilling and contributing life regardless of the difficulties they have faced.

WHERE DOES INTRA OPERATE?

INTRA has offices in Lismore and in Byron Bay. We also offer group programs in other locations across the Northern Rivers.
