

THE BUTTERY

ROLE TITLE: Clinician – Safe Haven

LOCATIONS: Lismore, Mullumbimby, Murwillumbah, Woodburn

About You

In this role, you'll get to work with a supportive team to deliver immediate trauma-informed and person-centred care to flood affected communities. You will use your experience to provide brief interventions and counselling to support participants as well as case management.

You will have demonstrated experience in delivering mental health and/or suicide prevention service in a community setting, undertaking risk assessments and managing crisis situations.

About Us

We are a not-for-profit charitable organisation established in 1973. Through residential and community-based programs, we specialise in the treatment of alcohol and other drug misuse and mental health concerns. Our programs are evidence-based, best-practice and informed by the latest research into addiction treatment. We never stop believing in change for the better, and we work constantly to improve the lives of the people we support.

Hours and location

Lismore, Mullumbimby, Murwillumbah and Woodburn
The Safe Havens are open 7 days per week on rostered shifts from 12pm to 6pm every day. We are offering flexible hours from 20-35 per week.

About the Role

Qualifications and checks

1. Tertiary qualification at university level in Counselling, Nursing, Social Work or Psychology Registration with Australian Counselling Association (ACA) or Australian Health Practitioner Regulation Agency (AHPRA) is desirable.
2. Capacity to work outside of normal business hours (this role may require some after-hours and weekend work).
3. Licences and checks: A current valid manual Driver's Licence, COVID vaccination, satisfactory current Criminal Record Check and Working with Children Check.

Experience

- Demonstrated experience in delivery of mental health and/or suicide prevention support services in a community setting.
- Demonstrated experience in undertaking risk assessments and managing crisis situations
- Experience in providing counselling and support to individuals from a trauma-informed approach.
- Demonstrated experience providing case management for persons with complex support needs
- Familiarity with a range of referral services across the local community
