

THE BUTTERY

ROLE TITLE: Community Engagement Officer (Aboriginal Identified) – Safe Haven

LOCATION: Lismore, Mullumbimby, Murwillumbah, Woodburn

About You

You are an Aboriginal person with demonstrated experience working with Aboriginal people and their communities, government organisations and key Aboriginal stakeholders, with the ability to communicate across cultures.

In this role, you will liaise with, and develop relationships and networks with stakeholders and communities to support Aboriginal participant access to the Safe Haven Facilities.

You will leverage your program delivery and co-design experience to utilise a co-design framework to support the development, implementation and ongoing review of the Safe Haven program.

About Us

We are a not-for-profit charitable organisation established in 1973. Through residential and community-based programs, we specialise in the treatment of alcohol and other drug misuse and mental health concerns. Our programs are evidence-based, best-practice and informed by the latest research into addiction treatment. We never stop believing in change for the better, and we work constantly to improve the lives of the people we support.

Hours and location

This role will cover the Lismore, Mullumbimby, Murwillumbah and Woodburn communities and you will be provided with access to a vehicle for use during work hours.

We offer 70 hours per fortnight.

About the Role

Qualifications and checks

1. Diploma or higher qualification in a relevant field (e.g., community services, health promotion, mental health).
2. Evidence of Aboriginality: Exemption is claimed under section 14 of the Anti-Discrimination Act.
3. Licences and checks: A current valid manual Driver's Licence, COVID vaccination, satisfactory current Criminal Record Check and Working with Children Check.

Experience

- Demonstrated experience in working with local communities to develop, achieve and evaluate shared goals.
- Experience working within mental health or another relevant sector.
- Demonstrated experience managing stakeholders and building networks.
- Understanding of community development, health promotion and suicide prevention strategies.
