

Role: Clinician: Redress Support Services
Location: Coffs Harbour (or Grafton) Region

About the role

The Buttery's Redress Support Service supports survivors of institutional childhood sexual abuse to access and apply for the National Redress Scheme. The National Redress Scheme provides access to counselling, financial compensation, and a direct personal response from the institution.

As a Clinician you will provide case management support to participants as they move through the Redress Scheme process; increase awareness of the National Redress Scheme to stakeholders; and provide trauma informed counselling support in consultation with the participants psychologist/ psychiatrist/mental health supports

Hours and location: The role is part-time working 30 hours per week and can be based in Coffs Harbour or Grafton. The role is hybrid with options to work from home and in the community. You will get to work with participants both online and face to face. A vehicle is available for work in the community. The role is funded until 30th June 2027.

About you: Selection Criteria

1. Tertiary qualification at university level in psychology, social work, counselling, mental health or similar and current registration with peak body such as ACA, AASW or AHPRA
2. Licences and checks: A current and valid Driver's Licence, satisfactory current Criminal Record Check and Working with Children Check prior to commencement.
3. Demonstrated experience providing trauma-informed counselling in AOD, MH or related field with participants who have experienced childhood sexual assault.
4. Demonstrated experience providing case management for persons with complex support needs
5. Demonstrated experience promoting and educating stakeholders and building networks
6. Computer literacy in videoconferencing, MS Office and client data management programs.
